SOFT CLEANSER

CITRUS SCENTED

STAINLESS STEEL • PORCELAIN • CERAMIC TILE • COPPER • ALUMINUM

Bar Keepers Friend® **Soft Cleanser** is a premium quality thick liquid cleanser formulated with micro-abrasives for use on hard, non-stone surfaces such as stainless steel, porcelain, ceramic tile, copper and aluminum. Use it on your toughest cleaning jobs!

- Cleans without dulling or scratching.
- Removes difficult tarnish, hard water deposits, soap scum, and rust.
- Thick formula clings to vertical surfaces, making it perfect for tile walls and restroom use.
- No hazy or gritty residue.
- Leaves a brilliant shine!

Fresh Citrus Fragrance

Deodorize cleaned surfaces and surrounding area with a lasting, light, citrus fragrance.

(Food Service and Food Processors should consider using our NSF registered, unscented BKF Professional Grade Hard Surface Cleanser in place of this scented product.)

Directions

Shake well before using. Simply apply BKF Soft Cleanser on soiled surface and rub using a wet sponge or damp cloth. Rinse thoroughly within one minute of application, and wipe dry. Rub with the grain on brushed metals.

For Institutional and Industrial Use

Read all Directions and Caution Statements on the product labels before use. Material Safety Data Sheets are available at www.barkeepersfriend.com.
